First is loading of bicycles. This will be at the parking lot to the west (in front of) Target. Drop off time begins at 5:30 pm and runs until 8:00 pm. Please plan on getting your bicycles to the trucks for loading as close to the 5:30 hour as possible because of the remaining arrangements. For those of you flying in from out of town, we will be able to coordinate bike pickup and transport from Lynn's and Grant's house.

Packet pickup and supper will begin at 6:00 pm at Grant & Sherri's (2836 NW North Creek Cir).

Following is Sherri's & Kristie's menu

- BBQ SMOKED CHICKEN
- PARTY POTATOES
- DUTCH OVEN BAKED BEANS
- 7 LAYER LETTUCE SALAD
- GRANDMA'S COLE SLAW
- CHOCOLATE CHERRY CAKE
- PEACH DELIGHT

Following is Grant's & Mark's menu

- BEER
- BEER
- BEER

There will be the usual munchies, but feel free to add to the goodies if you want. There is always plenty of stuff so please come hungry!

SATURDAY Morning: Loading process begins at 8:00 a.m. at the Target parking lot. Team SLAM will be on bus #1. We will commandeer slightly over 50% of the available bus seats on that bus. (Curt, please bring a roll of police tape for this and other purposes.) Please plan to be there early. Most of you know how long the process can really take and it is preferable to sit on the bus in relaxation rather than scurrying around at the last minute. Plus this leaves more time for "bus punch".
